Email is used as a cost effective way of distributing the newsletter, (which comes with colour photos) and also any important messages to you. Your newsletter will be emailed, unless we are advised otherwise. Note printed copies are only available in black and white.

Information supplied to JCH&PS is only used for internal purposes, and is kept private and not distributed.

We are interested to know why you decided to join JCH&PS, especially if you have any relatives that worked here in the past. Please comment on page 2. The Newsletter editor is always after a candidate for the Society Spotlight column each edition, which basically gives a story about one of our members. She would love to hear your story about your interest in Jenolan, so if you haven't forwarded your story, please do so, or one day she may contact you!
